

### Amendments to the Specification

Please amend the Specification as indicated below.

Please rewrite the paragraph beginning at page 3, line 10 as follows:

The present invention relates to an anti-atypical pneumonia decoction, characterized in that the Chinese medicinal formula consists of the following medicinal materials:

<u>Medicinal materials</u>	<u>Parts by weight</u>
Scutellaria root ( <u>Radix Scutellariae</u> )	0.5 ~ 10
Gardenia ( <u>Fructus Gardeniae</u> )	0.5 ~ 10
Honeysuckle flower ( <u>Flos Lonicerae</u> )	0.5 ~ 10
Weeping forsythia ( <u>Fructus Forsythiae</u> )	0.5 ~ 10
Dried rehmannia root ( <u>Radix Rehmanniae</u> )	0.5 ~ 10
Gypsum ( <u>Gypsum Fibrosum</u> )	0.5 ~ 10
<del>Flos chrysanthemi indic</del> Wild Chrysanthemum flower extract ( <u>Flos chrysanthemi indici</u> )	0.5 ~ 10
Basket fern ( <u>Rhizoma Cyrtomii</u> )	0.5 ~ 10
Balloonflower root ( <u>Radix Platycodi</u> )	0.5 ~ 10
Mint ( <u>Herba Menthae</u> )	0.5 ~ 10
Arctium fruit ( <u>Fructus Arctii</u> )	0.5 ~ 10
Liquorice ( <u>Radix Glycyrrhizae</u> )	0.5 ~ 10

Please rewrite the paragraph beginning at page 6, line 8 as follows:

According to the proportions showed as follows, the medicinal materials was mixed together to obtain the Chinese medicine formula:

<u>Medicinal materials</u>	<u>Weight (g)</u>
Scutellaria root ( <u>Radix Scutellariae</u> )	0.5
Gardenia ( <u>Fructus Gardeniae</u> )	0.5
Honeysuckle flower ( <u>Flos Lonicerae</u> )	0.5
Weeping forsythia ( <u>Fructus Forsythiae</u> )	0.5
Dried rehmannia root ( <u>Radix Rehmanniae</u> )	0.5
Gypsum ( <u>Gypsum Fibrosum</u> )	0.5
Flos chrysanthemi indicis Wild Chrysanthemum flower extract ( <u>Flos chrysanthemi indicis</u> )	0.5
Basket fern ( <u>Rhizoma Cyrtomii</u> )	0.5
Balloonflower root ( <u>Radix Platycodi</u> )	0.5
Mint ( <u>Herba Menthae</u> ) ( <u>Fructus Arctii</u> )	0.5
Arctium fruit ( <u>Fructus Arctii</u> )	0.5
Liquorice ( <u>Radix Glycyrrhizae</u> )	0.5

Please rewrite the paragraph beginning on page 7, line 2 as follows:

According to the proportions showed as follows, the medicinal materials was mixed together to obtain the Chinese medicine formula:

<u>Medicinal materials</u>	<u>Weight (g)</u>
Scutellaria root ( <i>Radix Scutellariae</i> )	10
Gardenia ( <i>Furctus Gardeniae</i> )	10
Honeysuckle flower ( <i>Flos Lonicerae</i> )	10
Weeping forsythia ( <i>Fructus Forsythiae</i> )	10
Dried rehmannia root ( <i>Radix Rehmanniae</i> )	10
Gypsum ( <i>Gypsum Fibrosum</i> )	10
<del>Flos chrysanthemi indici</del> Wild Chrysanthemum flower extract ( <i>Flos chrysanthemi indici</i> )	10
Basket fern ( <i>Rhizoma Cyrtomii</i> )	10
Balloonflower root ( <i>Radix Platycodi</i> )	10
Mint ( <i>Herba Menthae</i> ) ( <i>Fructus Arctii</i> )	10
Arctium fruit ( <i>Fructus Arctii</i> )	10
Liquorice ( <i>Radix Glycyrrhizae</i> )	10
